

Bush Bands 2024 Application Checklist

APPLICATIONS CLOSE 1 JULY 2024

You need to have your application in by 1 July 2024.

We don't take late applications.

Applying for Bush Bands is very competitive. Try to get the best quality recordings and photos that you can.

YOU NEED TO SUBMIT THE FOLLOWING:

- The names, ages, and instruments of all of your band members.
- A contact person for your band and an email and phone number for them.
- **2 Songs** – Either a .wav or MP3. Wav is the best, but MP3 is OK if you can't get .wav files.
- **2 Photos of the Band** – Try to get good quality photos.
- **Band Biography** – This is the story of your band, how long your band has been together, any gigs you have played and what the band has been doing.
- **YouTube links** to any of your performances or music videos if you have any.
- If your band gets chosen for Bush Bands, everyone needs to agree to stay at Bush Bands Business the whole time. If you leave for any reason, this includes football and gigs, you won't be allowed to play at the concert.
